-

COLD COFFEE

-

Affogato with cold brewed coffee ice cream
recipe, or vanilla \$6.5

Iced coffee with coffee or vanilla ice cream \$7.5

-

CLEVER COFFEE DRIPPER

\$5

-

Ask staff for daily offerings.

A clever dripper is a coffee brewing tool, similar to a plunger or drip filter. It produces a much cleaner, lighter drink than an espresso and is a great way to enjoy and discover all of the delicate flavours that can be found in coffee. Good to share.

As these are made to order, please expect a 10 minute wait.
