

BEER & CIDER

Red Gum BBQ loves its beer! And knows that BBQ & Beer are very good friends. But we really only love the best. So we have spent many hours labouring over all of the best craft brews that Victoria has to offer (it's a rough life) to give you a taste of what we believe are some of the best craft beers around. So find our favourites here and check the boards for our seasonal specials!

*Standard beers are served schooner size 425ml. Jugs are 900ml

Australian smoked, American style bbq

WINE

Red Gum BBQ loves its beautiful home, the rolling hills of Red Hill on the Mornington Peninsula and we are thankful to be in the heart of one of the world's finest wine regions. So why go elsewhere, when all you need is here? All of our wines are sourced locally and are some of the best this area has to offer. Enjoy these and if you have a favourites from around these parts, you'd like to suggest, please do so.

*Standard wine pours are 150ml

SODAS & MORE

In keeping with our heritage and our love of fun we source a unique range of American-style sodas and specialty drinks which change frequently, so do check in with our 'drinks specials' board. We also keep a range of natural juices and coffees but we try to keep it simple, so if it's not here-, ask our lovely staff for a recommendation of another - you may find a new treat!
